

**A**

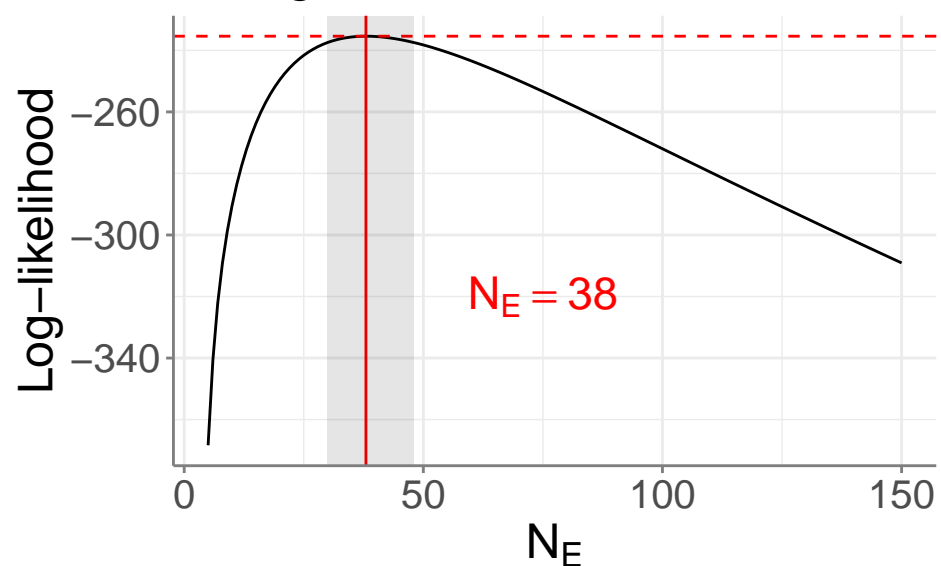

initial frequency = 2%  
viral generation time = 3 hours

**B**

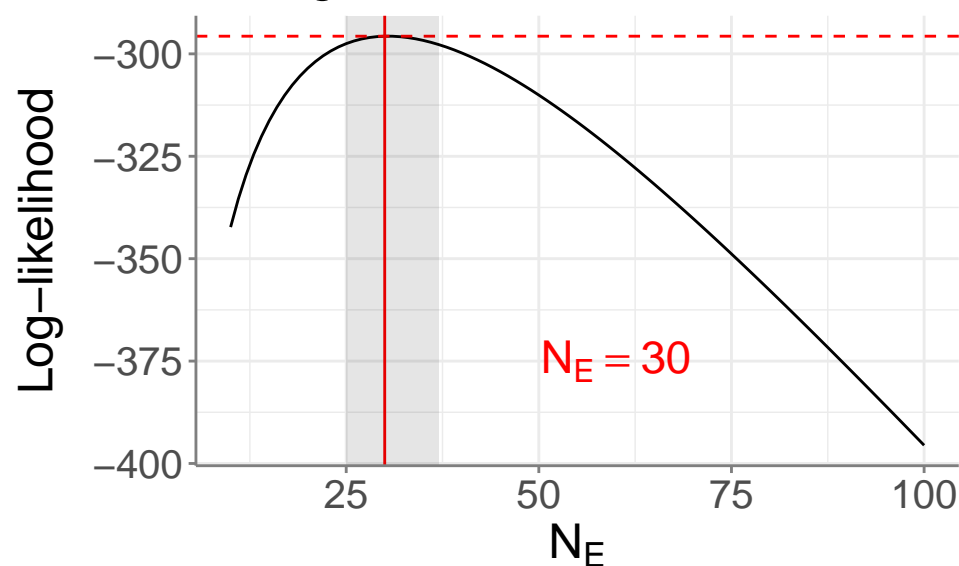

initial frequency = 0.5%  
viral generation time = 3 hours

**C**

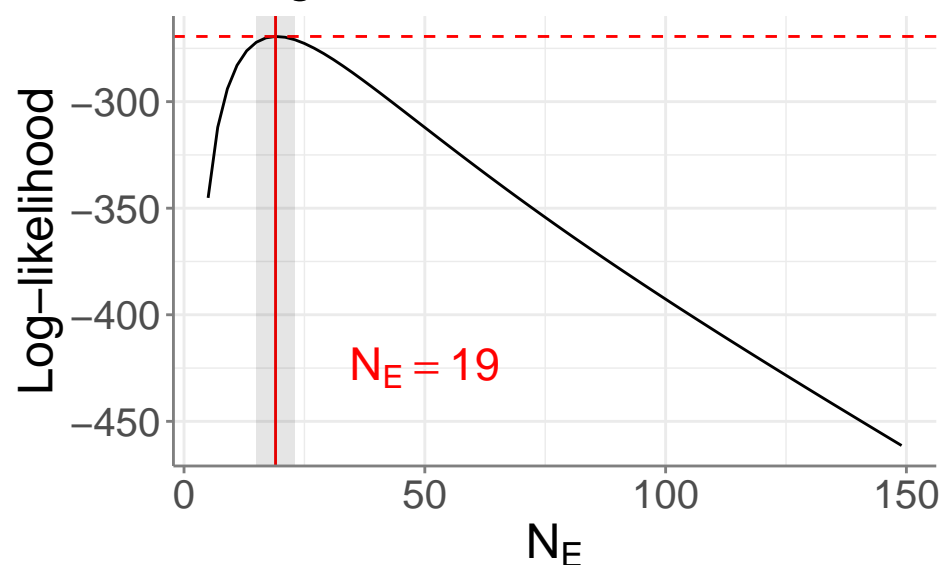

initial frequency = 2%  
viral generation time = 6 hours

**D**

initial frequency = 0.5%  
viral generation time = 6 hours

**E**

initial frequency = 2%  
viral generation time = 12 hours

**F**

initial frequency = 0.5%  
viral generation time = 12 hours
